February 5 Fifth Sunday of Ordinary Time Mark 1:29-39

In this story, we learn how Jesus heals people who suffer and are sick. Jesus shows people compassion and kindness; they are healed and their lives are transformed. Jesus is a prayerful person who speaks about the goodness of God. Many people want to listen to him and follow him.

Remember and tell about a time when you were sick, or perhaps seriously ill. Who do you turn to when you suffer? Today, how can Jesus heal people who suffer or are sick?

CHOIR:

The Music Ministry of a parish helps the liturgy be lively and relevant. Music adds a dimension of involvement that would be missing if we just spoke all the parts. Our choirs on Sunday morning are always on the alert for potential new members: More voices means that there is more we can do in the way of "parts" and in other ways to enhance the music. Please consider whether you would like to be in one of the choirs. Speak to the directors after mass and let us know that you are interested. Just asking won't get you drafted, but we are interested in helping people become choir members—we'll provide the training if you'll provide the voice. Note that all ages are welcome! For young people, it's a great way to be more involved in the liturgy, to help lead the worship as well as being part of your participation. And "seniors" should remember that the voice is about the last thing to go!
