During the year there will be opportunities for the candidates to be involved in service projects in the parish community and the greater community. These will be announced as they come up and in plenty of time for schedule planning.

Each session will begin in the PSC at 1:00 pm and conclude at 2:30 pm. We would ask parents to drop off and pick up their children promptly. Archdiocesan policy does not allow us to leave an unattended child on the premises following a session.
